

Idaho Nonprofit Center Policy Agenda 2025

Approved by the board December 2024

- **Maintaining budget appropriations for nonprofits from state and federal sources**

The INC supports budget appropriations that enhance nonprofits' ability to provide essential community services for Idahoans in both rural and urban communities

- **Protecting nonprofit property tax exemptions**

The INC supports policies at the local and state levels that maintain property tax exemptions for nonprofits as well as uniform standards of assessing exemptions annually

- **Expanding charitable giving incentives in tax code**

The INC supports policies that expand charitable giving incentives for Idahoans to support the community causes they care about

- **Building public trust, transparency, and accountability in the nonprofit sector**

The INC supports an appropriate level of government regulation and enforcement to protect the public's interest while upholding the integrity of the nonprofit sector

The INC supports policies that protect the decision-making autonomy and self-governance authority of charitable nonprofits

- **Expanding access to high quality, affordable childcare to support nonprofit workforce**

The INC supports policies that improve access to quality, affordable childcare as a workforce retention and attraction issue

- **Nonprofit Workforce Development and Capacity-Building**

The INC supports policies that help grow and develop the nonprofit workforce, including capacity building efforts in the sector
